DEPARTMENT OF EDUCATIONAL MANAGEMENT (FULL-TIME & SANDWICH)

M.Ed Educational Management With Areas of Specialization in:

- (a) M.Ed in Educational System Administration
- (b) M.Ed in Economics of Education
- (c) M.Ed. in Educational Planning and Policy

Admission Requirements:

First Degree in Education Management with a minimum of second class lower division or PGDE with First Class, Second Class Upper or Second Class Lower.

In addition, candidates must possess credit passes in English Language, Mathematics and Economics at SSSCE and any other two subjects from Commerce, Government, Geography and Book Keeping and Account in SSCE or Equivalent.

Ph.D in Educational Management With Areas Of Specializations in

- (a) Ph.D in Educational System Administration
- (b) Ph.D in Economics of Education
- (c) Ph.D in Educational Planning and Policy

Admission Requirements:

M.Ed Degree in Educational Management with a Ph.D grade and a minimum of 60% in addition with credit passes in English Language, Mathematics, Economics, one of social Science subject and any other.

DEPARTMENT OF HEALTH AND HUMAN KINETICS EDUCATION (FULL-TIME & SANDWICH)

A. Admission Requirements for M.Ed Human Kinetics Education

- (i) Candidates must meet the minimum admission requirements of Ordinary Level for First Degree programme in Health Education. Credits in English Language, Mathematics and Biology with any other two from the following subjects (Chemistry, Physics, Economics or Commerce, Agricultural Science, Government or Civic Education and Home Economics)
- (ii) Holder of Bachelor's degree in Physical and Health Education (or Human Kinetics and Health Education from a recognized University.
- (iii) Holders of Bachelor's degree in any related field of study such as Kinesiology, Medical Rehabilitation.

(iv) Candidates with Bachelor's degree in disciplines other than the ones identified above but who possess in addition Post Graduate Diploma in Human Kinetics Education.

a. Duration of the Programme

The M.Ed Degree Programme is run on full time. The Programme normally lasts a minimum of three (3) academic semesters.

b. Areas of Specialization

The following areas of specialization are available in the programme.

1. Organization and Administration of Human Kinetics and Sport.
2. Sociology and Psychology of Sports
3. Recreation and Leisure Management
4. Exercise Physiology

B. Admission Requirements for M.Ed Health Education

- i. Candidates must meet the minimum admission requirements of Ordinary Level Certificate for first degree programme in Health Education. Credits in English Language, Mathematics and Biology with any other two from the following subjects (Chemistry, Physics, Economics or Commerce, Agricultural Science, Government or Civic Education and Home Economics)
- ii. Admission into M.Ed Degree in Health Education is open to graduates with minimum of Second Class Lower Degree in Health Education, Human Kinetics Education, or in any Health related field such as Nursing, psychology or Sociology from any recognized University.
- iii. Candidates with Bachelor's degree in disciplines other than the ones identified above but who possess in addition Post Graduate Diploma in Health Education.

a. Duration of the Programme

The M.Ed Degree Programme is run on full time. The Programme normally lasts a minimum of three (3) academic semesters.

b. Areas of Specialization

1. School Health Education
2. Community Health Education
3. Environmental and Safety Education

DEPARTMENT OF SCIENCE EDUCATION (FULL-TIME & SANDWICH)

M.Ed and Ph.D degree Programmes available in the following areas:

- (a) M.Ed in Science Education
- (b) Ph.D in Science Education

Admission Requirements:

Candidates seeking admission into Master's degree in Science Education must have basic University matriculation requirements for Admission into the University (namely credits in five relevant subjects include English Language, Mathematics and any other relevant subjects) and PGDE at credit or merit level as the case may be.

For admission into the Ph.D Programme, candidates must possess a Master's degree in Science Education, or any other relevant discipline in Education with a **minimum Cumulative Grade of 60% or above.**

DEPARTMENT OF SOCIAL SCIENCES EDUCATION(FULL-TIME & SANDWICH)

M.Ed. (SOCIAL STUDIES EDUCATION)

ADMISSION REQUIREMENTS

In addition to possessing the basic requirements for matriculation in the University (namely, credit in five relevant subjects including English Language, Mathematics and two Arts/Social Science subjects passed at not more than two sitting at 'O' level, or equivalent), applicant must each hold either a postgraduate Diploma in Education with an overall minimum average score of 60% or a first degree in the first or Second Class Divisions obtained from either this University or other education institutions recognized by Senate.

Candidate seeking admission for the degree of M.Ed Social Studies Education must have any of the following qualifications from recognized institutions.

- (a) Bachelor degree in Social Studies Education or any related discipline with a minimum of Second Class (Lower Division).
- (b) Bachelor of Arts or Social Science with additional qualification of Postgraduate Diploma in Education (PGDE).

POSTGRADUATE DIPLOMA IN EDUCATION (FULL-TIME & SANDWICH)

Admission Requirements:

For PGDE programme, candidates with Third Class or HND (Upper Credit) or minimum of HND Lower etc. holders with substantial teaching experience may be considered. All disciplines are acceptable for admission into PGDE.

FACULTY OF SCIENCE

DEPARTMENT OF ANIMAL AND ENVIRONMENTAL BIOLOGY

M.Sc and Ph.D in the Following Specializations:

- M.Sc. Fisheries Management
- M.Sc. Applied Parasitology
- Ph.D (Fisheries Management)

Admission Requirements:

B.Sc. with at least a Second Class (Honours) Lower Division in Environmental Biology, Fisheries, Zoology, Agriculture, Parasitology, Microbiology or any other related discipline recognized by the Senate of Adekunle Ajasin University, Akungba-Akoko and **Higher National Diploma (Upper Credit) Plus PGD with 60%** and above can be considered.

Candidates for the Doctoral Degree must have M.Sc degree in Fisheries or related discipline with a **minimum Cumulative Grade of 60% and above.**

DEPARTMENT OF BIOCHEMISTRY

(i) Master of Science (M.Sc) in Biochemistry

Admission Requirements:

In addition to possessing the basic requirements for matriculation in the University (namely credit passes in English Language, Mathematics, Physics, Chemistry and Biology, taken at no more than two consecutive sittings at WAEC/NECO, SSCE, GCE 'O' level, or equivalent), applicants for this programme should be holders of a first degree in Biochemistry or any other related courses with a minimum of second class honours (Lower Division) obtained from either Adekunle Ajasin University or any other University or educational institution recognized by the Senate. Applicants for this programme may be required to sit and pass qualifying test to be adjudged truly suitable for admission.

(ii) Ph.D Biochemistry with Specializations in:

- (i) Protein Chemistry and Enzymology
- (ii) Medical and clinical Biochemistry
- (iii) Toxicology and Environmental Biochemistry
- (iv) Nutrition and Food Biochemistry
- (v) Plant Biochemistry
- (vi) Biotechnology

Admission Requirements:

In addition to possessing the basic requirements for matriculation in the University (namely credit passes in English Language, Mathematics, Physics, Chemistry and Biology, taken at no more than two consecutive sittings at WAEC/NECO, SSCE, GCE 'O' level, or equivalent), applicants for this programme should be :

- (i) Holders of Master of Science (M.Sc) degree in Biochemistry with a weighted average of not less than 60%.
- (ii) Holders of Master of Philosophy (M.Phil) degree with a research thesis in any area of Biochemistry.

DEPARTMENT OF COMPUTER SCIENCE

A. PROGRAMME: PhD – Computer Science

PROGRAMME OFFERED AND DURATION

(i) A full time Doctoral programme shall run for a minimum of three years (6 semesters) and a maximum of four years (8 semesters), and Part-time Doctoral programmes shall run for a minimum of four years (8 semesters) and a maximum of 5 years (10 semesters). For extension beyond the specified maximum period a special permission of the Postgraduate School/Senate shall be required. For extension beyond the specified maximum period, a special permission of the Postgraduate School/Senate shall be required.

ADMISSION REQUIREMENTS

In addition to possessing the basic requirements for matriculation in the University (namely credit passes in English Language, Mathematics, Physics, Chemistry and at least one other relevant subject, taken at no more than two consecutive sittings at WAEC/NECO, SSCE, GCE O'Level, or equivalent), applicants for this programme should be:

- (i). Holder of Academic Master of Science, Masters of Technology or Masters of Engineering degree in Computer Science/Engineering or related disciplines with a minimum 3.5 CGPA on a scale of 5.0 or 60% as the case may be, obtained from Adekunle Ajasin University or any other University/Educational institution recognized by the senate of the University, or MPhil. degree in Computer Science/Engineering or related discipline with a minimum of 3.0 CGPA on a scale of 5.0 obtained from any institution recognized by the University Senate.
- (ii). Candidate on the MPhil/Ph.D programme who score 60% average and above in the course work and fulfill other conversion requirements at the end of the first year shall be eligible for conversion to the Ph.D programme.

AREA OF SPECIALISATION

Candidate shall choose from the following areas of research in the department for specialization:

- i Computer Architecture & High Performance Computing
- ii Software Engineering
- iii Database/Data Science
- iv Informatics
- v Data Communications and Networks
- vi Artificial Intelligence
- vii Cybersecurity and Computer Forensics
- viii Human Computer Interactions
- ix Biometrics
- x Information Technology

B. PROGRAMME: M.Phil./Ph.D - Computer Science

PROGRAMME OFFERED AND DURATION

Full time M.Phil/Ph.D programme take a minimum of one year (2 semesters) to convert to Ph.D programme and thereafter, the conditions for Ph.D applies.

ADMISSION REQUIREMENTS

In addition to possessing the basic requirements for matriculation in the University (namely credit passes in English Language, Mathematics, Physics, Chemistry and at least one other relevant subjects, taken at no more than two consecutive sittings at WAEC/NECO, SSCE, GCE O'Level, or equivalent), applicants for this programme should be

(i). Holder of Master of Science, Masters of Technology or Masters of Engineering degree in Computer Science/Engineering or related disciplines with a minimum 3.0 CGPA on a scale of 5.0 or 55%- 59.9 % as the case may be, obtained from Adekunle Ajasin University or any other University/Educational institution recognized by the senate.

AREA OF SPECIALISATION

Candidate shall choose from the following areas of research in the Department for specialisation:

- i. Computer Architecture & High Performance Computing
- ii. Software Engineering
- iii. Database/ Data Science
- iv. Informatics
- v. Data Communications and Networks
- vi. Artificial Intelligence
- vii. Cybersecurity and Computer Forensics
- viii. Human Computer Interactions
- ix. Biometrics
- x. Information Technology

C. PROGRAMME: M.Sc – Computer Science

PROGRAMME OFFERED AND DURATION

The full time Academic Master's (M.Sc) Programme in Computer Science shall be run for a minimum of eighteen (18) months calendar of three (3) consecutive semesters and a maximum of (6) semesters. The part-time Academic Master's programme shall be run for a minimum of consecutive six (6) semesters and maximum of eight (8) semesters. Each semester normally comprises 18 weeks made of 16 weeks of teaching and two (2) weeks for examination.

ADMISSION REQUIREMENTS

i. In addition to possessing the basic requirements for matriculation in the University (namely credit passes in English Language, Mathematics, Physics, Chemistry and at least one other relevant subjects, taken at no more than two consecutive sittings at SSC, GCE O'Level, or equivalent). Applicants for this programme should be holders of first degree in Computer Science/Engineering with a minimum pass of Second Class Honours (Lower Division) obtained from either Adekunle Ajasin University or any other University/Educational institution recognized by the Senate of the University.

- ii. A candidate with a first degree in Electrical and Electronics Engineering, Mathematics, Physics Electronics or any other related courses with a minimum pass of Second Class Honour (Upper Division) may be considered.
- iii. A candidate with a Postgraduate Diploma (PGD) in Computer Science of AAUA or other recognized institutions with a CGPA of 3.0 on a 5.0 scale or weighted average of 60% may also be considered for admission.

Applicants for this programme may be required to sit and pass qualifying test to be adjudged truly suitable for admission.

Areas of Specialization in Computer Science

- i. Computer Science Theory/ Foundation of Computer Science
- ii. Computer Architecture & High Performance Computing
- iii. Software Engineering
- iv. Database Systems/Data Engineering
- v. Computer Communications and Networks
- vi. Artificial Intelligence & Expert Systems
- vii. Computer Forensics, Network Security & Information Security
- viii. Human Computer Interactions.
- ix. Biometrics
- x. System Data Mining & Informatics

D. PGD – Computer Science

PROGRAMME OFFERED AND DURATION

Full time Postgraduate Diploma (PGD) programme in Computer Science shall be minimum of twelve (12) calendar months of two consecutive semesters and maximum of twenty-four (24) calendar months of four consecutive semesters; and a Part-Time PGD programme shall be a minimum of twenty four (24) calendar months of four consecutive semesters and a maximum of forty-eight (48) calendar months of eight consecutive semesters. Each semester normally comprises 18 weeks made of 16 weeks of teaching and two (2) weeks for examination.

ADMISSION REQUIREMENTS

The criteria for admission into the PGD programme will be as follows:

- (i). All candidates must have five credit passes including English Language, Mathematics, Physics, Chemistry and at least one other relevant subject taken at no more than two sittings at SSC, GCE O'Level, or equivalent). In addition,
- (ii). Candidates for this programme should be holders of a first degree with minimum qualification of Third Class Degree in Computer Science, Engineering and other related fields.

DEPARTMENT OF CHEMICAL SCIENCES

M.Sc. Degrees are available in the following areas of specialization:

- (i) Analytical/Environmental Chemistry

- (ii) Organic Chemistry
- (iii) Physical Chemistry
- (iv) Industrial Chemistry
- (v) Inorganic Chemistry

Admission Requirements:

Candidates seeking admission into M.Sc Programme should have a B.Sc. Chemistry degree or its equivalent of this University or any other University recognized by the Adekunle Ajasin University, but not lower than Second Class Lower Division. Please note that all Postgraduate programmes require all applicants to possess a credit pass in English Language at the ordinary level.

MPhil/Ph.D – Chemical Sciences with specialization in the following:

- (i) Analytical/Environmental Chemistry
- (ii) Organic Chemistry
- (iii) Physical Chemistry
- (iv) Industrial Chemistry
- (vii) Inorganic Chemistry

Admission Requirements:

Applicants for admission into MPhil./Ph.D Degree Programme must have attained an average aggregate score of 55%-59% at Masters level.

Ph.D degrees are available in the following areas of specialization:

- (i) Analytical/Environmental Chemistry
- (ii) Organic Chemistry
- (iii) Physical Chemistry
- (iv) Industrial Chemistry
- (v) Inorganic Chemistry

Admission Requirements:

Candidates for the **Doctoral Degree must have M.Sc degree** in any other related disciplines with a minimum **CGPA of 60% and above.**

DEPARTMENT OF PLANT SCIENCE AND BIOTECHNOLOGY

M.Sc - Plant Science & Biotechnology with options in the following:

- (a) Plant Biotechnology
- (b) Plant Physiology
- (c) Plant Ecology
- (d) Plant Taxonomy/Anatomy
- (e) Plant Pathology
- (f) Plant Genetics/ Breeding
- (g) Palynology

Admission Requirements:

Candidates seeking admission into M.Sc programme should have a B.Sc in any related discipline from Adekunle Ajasin University, Akungba – Akoko or any other University recognized by the Senate with a minimum of **Second Class (Honours) Lower Division**.

MPhil/Ph.D – Plant Science & Biotechnology with specialization in the following:

- (a) Plant Biotechnology
- (b) Plant Physiology
- (c) Plant Ecology
- (d) Plant Pathology
- (e) Palynology

Admission Requirements:

Applicants for admission into **MPhil/Ph.D** Degree Programme must have attained an average aggregate score of **55%-59% at Masters level**.

Ph.D.- Plant Science & Biotechnology with specialization in the following:

Admission Requirements:

Candidates for the Doctoral Degree must have M.Sc degree in any other related disciplines with a minimum CGPA of **60%** and above.

DEPARTMENT OF PHYSICS AND ELECTRONICS

M.Sc and Ph.D degrees are available in the following four fields of specialization:

- (i) Radiation and Health Physics
- (ii) Solid State Physics
- (iii) Theoretical Physics
- (iv) Electronic Measurement and Instrumentation
- (v) Space Physics

Admission Requirements:

B.Sc in Physics or Electronics Engineering with at least **Second Class (Honours) Lower Division** for M.Sc, while candidates for Ph.D Degree require an average of **60% Cumulative Point** at the M.Sc degree.

DEPARTMENT OF EARTH SCIENCES

(a) Postgraduate Diploma (PGD) in Geology

(b) M.Sc. and Ph.D. Degrees in Applied Geophysics

(c) M.Sc. and Ph.D. Degrees in Geology with the following specializations:

- (i) Engineering Geology and Hydrogeology
- (ii) Geochemistry and Petrology

- (iii) Petroleum Geology and Sedimentology
- (iv) Mineral Exploration and Geochemistry

(d) Professional Master's Degree with the following specializations:

- (i) Master of Exploration Geophysics (MEG)
- (ii) Master of Hydrogeology (MHG)
- (iii) Master of Mineral Exploration (MME)
- (iv) Master of Petroleum Exploration (MPE)
- (v) Master of Mining Geology (MMG)

Admission Requirements:

All candidates must have five credit passes including English Language, Mathematics, Physics, Chemistry and at least one other relevant subject taken at no more than two sittings at SSCE, GCE O'Level, or equivalent), in addition;

(i) Candidates for the Postgraduate Diploma programme should be holders of a first degree with minimum qualification of Third Class Degree in Geology, or other related fields.

(ii) M.Sc. Applied Geophysics is open to graduates of Physics, Mathematics, Engineering, Geology and Land Surveying who earned minimum of 2nd Class Honours (Lower Division) in the first degree in the relevant fields. Candidates with their first degree in Geology, Engineering and Surveying are expected to have studied Mathematics or Physics and preferably both, up to 200-level. Candidates with their first degrees in Physics, Mathematics, Engineering, or Surveying would be expected to have taken some undergraduate courses in Geology, if not, on admission, they would be required to take some recommended courses in Geology.

(iii) M.Sc. Geology is open to graduates in Geology only with, at least, 2nd Class Honours (Lower Division) in the first degree in Geology.

(iv) Ph.D. Applied Geophysics and Ph.D. Geology are open to candidates with M.Sc. degree in Applied Geophysics and Geology respectively, with a minimum weighted average score of 60% and above.
